the only point on which he dispenses being the payment of a bonus of Rs 500 to Mr Thirugnana (the merchant who was in charge of the depot for 4 months, till April last) instead of a pay of Rs 70 a month. The F.C. considers that the former amount is Excessive. Reference is kindly invited to para 7 of the President's letter & the F.C. It will be seen that a net profit of Rs 5863 was realised on the working of the depot during the period he was in charge. In consideration of this fact, & also the fact that the President's recommendation may be accepted.

DIARY NO. 119 4

From

K. MATTHAN, Esq., B.A.,
Food Controller and Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to submit herewith a copy of letter No.1801 of the 9th instant together with its enclosures in original from the Honorary President, Bangalore City Municipal Council, regarding the establishment entertained for the control of food grains in the City from the 1st December 1918. The establishment was entertained under the orders of the President and in consultation with me from time to time. The sanction of Government could not be applied for earlier owing to want of complete information as to the changes which had from time to time been made. I request that the actual expenditure up to the end of September as detailed in para 4 of the President's letter and the scale proposed in para 5 with effect from the 1st October may be sanctioned. The scale as proposed with effect from the 1st October differs from the scale till then in force, In that the Depot Keeper is recommended for a pay of Rs.70 plus 20 while he was working on Rs.60 till the end of September and has actually drawn this rate of pay up to the present time. The charge of the Municipal Depot is a very important and responsible one and very elaborate accounts have to be maintained of the transactions

5

transactions with the large number of retail shops established in the City, and the pay proposed is not excessive.

2. Regarding the proposal to pay a bonus of Rs. 500 to Mr. P. Thimmaiah, whom the President had put in charge of the depot in the beginning from the 1st December 1918 to 8th April 1919, I feel that this is rather excessive as the pay originally intended to be given was only Rs.50 and it was subsequently thought right to raise it to Rs.70. As this gentleman incurred no particular responsibility either as to stock or as to cash (the stock being supplied from the Provincial Depot and the accounts being all maintained by accountants, I was under the impression that a salary of Rs.70 would be ample. I leave the matter, however, for the orders of Government.

3. As there are no transactions in the Municipal Depot from the beginning of January I am requesting the President to keep on only such establishment as is absolutely necessary to wind up the accounts. If the President should desire to open a municipal depot again rather than to arrange for the sales in the Bangalore City through co-operative societies, some establishment will have to be entertained. About this I will address Government as soon as I hear from the President.

I have the honour to be,

Sir,

Your most obedient servant,

Matthias

Food Controller & Director.

Letter No. 1801 dated 9th January 1920 from the President, City Municipal Council, Bangalore, to the Food Controller & Director of Civil Supplies in Mysore.

With reference to your No. A.3546 dated 16th December 1919, I have the honour to state that in connection with the control of food grains in the Bangalore City, I approved the entertainment with effect from the 1st December 1918 of an establishment costing Rs.352 a month, i.e., Rs.163 for the management of the Municipal Grain Depot, Rs.121 for the executive staff and Rs.68 for the establishment of my Assistant as shown in the annexed statement A. The necessary establishments were entertained to carry on the work of food control and sanction for the same was applied for in my letter No.1619 dated 17th December 1918 to the Revenue Commissioner. While the matter was under correspondence as to the source from which the cost should be met it was found that a further provision was necessary to meet the miscellaneous charges such as cartage, cooli for shifting bags, stitching of bags, etc. Accordingly a sum of Rs.250 per month was included to meet these charges with Rs.25 a month for an additional godown and sanction was sought for a provision of Rs.437 a month for the establishment of the municipal depot against Rs.163 originally sanctioned (Vide my letter No.1676 dated 26th December 1919).

2. The Depot Keeper Mr. P. Thimmiah who is a respectable merchant was first offered Rs.50 a month but as he did not accept this pay as being too inadequate and as his work was arduous and responsibl I agreed that he might be paid Rs.70 a month. Even this he objects to receive. The success of the depot was to a large measure owing to his keen business instincts and experience of this kind of work.

7

3. In April 1919 you considered that a slight reduction in the establishment for the Municipal Depot was possible deducting the contingent charges and you approved the establishments on Rs.293 as shown in the appended statement B. Mr. P. Thimmaiah was then allowed to sever his connection with the depot and one of the Food Inspectors was appointed as the Depot Officer and two Food Inspectors were allowed on Rs.40 plus Rs.10 each with effect from 9th April 1919. There was however only one Inspector working and as it was found necessary to appoint two more Inspectors (vide G.O. No. G.24411/P.P. 134-18-532 dated 23rd April 1919) they were entertained on Rs.40 plus Rs.15 each.

(Flag T in the linked file

4. Excluding contingent charges which you have instructed to be met from the sale proceeds of the Depot (vide your circular No.A.1468-78 dated 14th October 1919) and which the auditing branch have admitted, the total expenditure for the establishment for the municipal depot, the inspecting staff and the office is Rs.3,124-11-0 from December 1918 to September 1919 as shown in the margin and I request that the Government sanction may kindly be ontained for this expenditure.

July	"	304- 4-8
August	"	293- 0-0
September	"	293- 0-0
Total		Rs.3124-11-0

5. With effect from 1st October, I request that the following scale may be sanctioned

(1) for the City Municipal Depot.

1 Depot Officer on Rs.70 plus 20	Rs.90-0-0
1 Accountant	25- 0-0
1 Maistry	15-0-0
1 Measurer	15-0-0
1 Woman servant ...	5-0-0
Mundy rent for one Mundy	25-0-0

2 Orderlies on Rs.9 each	18-0-0
Contingencies	5-0-0
Total	53-0-0
Grand Total Rupees.	338-0-0

6. The Food Inspectors of the Provincial Grain Depot draw Rs.70 plus Rs.20 each and I consider that the present Municipal Depot Officer, Mr. G. K. Rudrayya, who has managed his responsible work satisfactorily and has been maintaining the accounts well may be allowed a similar salary and I have therefore recommended him for Rs.70 plus Rs.20 a month.

7. Mr. P. Thimmaiah who managed the municipal depot from the 1st December 1918 to 8th April 1919 is due Rs.298-10-8 at Rs.70 a month. He has not drawn this amount and declines to receive anything as pay and claims some commission on the transactions carried on by him. Considering that he dealt with sales to the extent of Rs.4,54,782.3.8 during the period he was in service and brought in a net profit of about Rs.5863, I consider that he may be given a bonus of Rs.500 in a lump sum as a recompense for his services instead of any pay. This will necessitate a sanction of Rs.201-5-4 over and above Rs.3124-11-0 which includes the pay of the Depot Keeper at Rs.70 only.

I hope you will consider my recommendations reasonable and obtain the necessary sanction of Government to the same.
